

Name: _____

Hose Company #4 Orientation and Training Packet

In the following pages are the basic objectives of knowledge required by a new member to function as part of the Hose Company #4 Team. To be considered complete, each objective, skill, or item must be performed by or with a line officer or member approved by a line officer, and initialed upon completion. When the packet is complete, it must be presented to the Chief, Asst. Chief, or Captain for review. Upon approval by the aforementioned, the candidate will be administered an oral exam to ensure continuity in training. When all of these steps are completed, the candidate will be released to answer emergency calls or will be instructed to the remedial training required, in order to be released.
