911 Address Signs

The Robert Fulton Fire Company is conducting a fundraiser selling "911 Reflective Address" signs for the residents of Southern Lancaster County. The cost of the signs are $20.00 each. Volunteers will deliver the signs to your house if needed.
By donating the minimum $20.00 or more, you are not only supporting the fire company but ensuring that should you need Emergency Services Personnel, they will find you without delay of trying to locate your home. This is a small donation that will give you and your loved ones piece of mind that they will find you quickly without having to waste precious seconds searching for the number on your house.
