Dear Supporters of the Hastings Fire Department,

We have a new way that you can support us all year round and it will cost you nothing. That is correct, no additional cost to you. All you have to do is shop at Mainesource food and Party Warehouse (previously Maine's Cash and Carry) in North Syracuse as you do now. Take the form below to the Maine's customer service counter on your next shopping trip, get a card, and use it like the shoppers club card you have for Topps, Price Chopper, Kmart, etc. Every time you shop at Maine's show your card and Maine's will give Hastings Fire Department a donation. You do your grocery shopping and support us at the same time.

We greatly appreciate your support and this opportunity is just another way to support us without having to do anything extra. This also helps to support a business that gives back to your community so everyone wins.

Thank you,

sincerely the members of
The Hastings Fire Department
