

Bedford County Fire & Rescue

The burn ban in Bedford County expired on May 1st but there are still some things to be mindful of when you decide to burn.

- Please contact the non-emergency dispatch number to notify of a burn. This keeps false alarms to a minimum and helps keep emergency service aware of burning in the county. The number is 540-586-7827.
- Monitor your burn and keep burn as small as possible.
- Keep your burn 300 feet from any tree line or dry grass that can lead to the tree line.
- Call 911 immediately, if your burn starts to get out of control.
