Minutes:

Minutes from the January meeting were distributed electronically. No questions

Treasurer's report:

-Current balance is 11,902.79. Adam had a last minute conflict and could not attend. Will distribute checks to individual companies or at the next meeting.

Communications:

-Supervisor Simpson stated they have attended an 8 hour class on the Freedom Software. Admits it is a little "tedious" but will be a benefit to field users.

Training/Training Center:

-Committee met last week. Accomack County has included over \$500,000 in their proposed budget for training center improvements. The desire is to move the County's EOC to the training facility. These additions will be positive for the overall needs of the center.

Old Business:

- None

New Business:

Fire Issues: - Forestry and Dry Hydrant grant requests are due by March 31st.

EMS Issues: - Mr. Fauber stated the Supervisors were looking at staffing needs, specifically at Station 16. They felt the need was greater in the southern end of the County. Also exploring the idea of placing a RN or NP on units to evaluate patients for the need for transport. Discussion ensued about regulations and a community paramedicine program.
