

**GARRARD COUNTY FIRE DISTRICT NO. ONE
LANCASTER, KENTUCKY**

Specifications for bidding the mowing and trimming of properties belonging to Garrard County Fire District No. One of Lancaster, Kentucky. Acceptance of the bid from a bidder constitutes a contract with same; cancellation of the contract requires a two-week notice before service ceases.

- I. The contractor shall furnish all tools, equipment and supplies. The contractor is responsible for reasonable use and care of this equipment while on property of District One.
- II. Liability insurance is the responsibility of the contractor and shall be a minimum of \$300,000. **A copy of insurance certificate is to be attached to the bid.**
- III. Mowing and trimming shall be done according to the following:
Station One – 208 Industry Road: Mow all enclosed grass area in the main section at the station every 7 days unless extremely dry or wet weather change the need which will be approved by the Chief before change in schedule. **Station 1 shall not be mowed on Tuesday nights after 7:00 pm.** The main section must be trimmed each time it is mowed. This includes buildings, trees, culverts, propane tank, creek, retaining wall and both sides of the main drive. **The bank along the highway (west of the main drive) shall be trimmed at least every two weeks, more often if needed to keep the appearance of this area in line with remainder of the main area.** The lower lots will be mowed on the same schedule; however, the trimming (creek, culvert, poles, etc.) will be trimmed at least every two weeks. All the fencing will be trimmed at least every two weeks -

- inside the fence- and **one trimmer width and mower width outside the south fence at least twice monthly during the heavy growing season.**

Station Two – 155 Vaughn Way (off KY 1295): Mow all enclosed grass area and one mower width on each side of the drive across the entry lot every 7 to 10 days (less later in the growing season or in the event of extreme dryness). All fences will be trimmed inside at least every other week. Around the building, poles, culverts, propane tanks, etc., will be trimmed each time of mowing.

Station Three – 699 Boones Creek: Mow all grass area every 7 to 10 days (less later in the growing season or in the event of extreme dryness). Trim building, propane tank, poles, wall and inside the fence at each time of mowing.

Apron Areas – all stations: The apron area of each station will be blown clear of all grass upon completion of mowing and trimming each time.

- IIIa The contractor may choose to spray the creek at station 1 in place of trimming.
- IV. Billing is to done on a monthly basis, listing stations and dates mowed and a monthly total. **Monthly statement is to be mailed or delivered to the secretary – treasurer by the last day of the month.**
- V. Failure to meet these specifications, in any point, could result in the Cancellation of the contract and will result in reduction of payment.

VI. Bid is to be submitted on the form on this page. Bids can be mailed to PO Box 578 Lancaster KY 40444 or turned in to any Board member, Chief Russ Clark or Asst. Chief Joe Naylor. Bids must be in hand no later than March 6.
