

CREVE COEUR FIRE & RESCUE

Knox Program Coordinator:

Roger Ristow / r.ristow@crevecoeurfire.com

How to Order Knox Products

1 ORDER ONLINE

Step 1

Go to

www.knoxbox.com/5827

Step 2

Select Commercial Knox box , Select Model 3200. It should come up as model 3261. Select color, Tamper Switch-None and Surface Mount. Fill in the required installation information and submit. This will send an email informing the fire department that you want to purchase a Knox box for your business. The Fire Department will approve the request and you will receive an email back that will allow you to finish your purchase.

Step 3

Open the email that you received from Knox Company and complete your purchase. Once you receive the Knox Box, you will need to have it installed (Fire Dept does not install) to the right side of your front entrance doorway, 5 ft above the ground. Once it has been installed, call the fire department to arrange a time for them to lock the key in the box.

2 ORDER BY PHONE

800.552.5669

For online ordering assistance, please contact
Knox Customer Service at 800.552.5669

3 ORDER BY MAIL
