

MISSION STATEMENT

To be a leading Emergency Service Organization

VISION

Meeting the needs of our community through Education, Fire Suppression, Technical Rescue, and Emergency Medical Services.

Utilizing and improving the dedication and skills of our membership.

Constantly improving the department's services, operations, and training.

SCRIBA VFD WILL:

Give top priority to firefighter safety, safety of the community, and environmental concerns.

Encourage the professional and personal development of our members.

Work and train in teams to take full advantage of the various member's skills, knowledge, and diversity.

Communicate openly and honestly to our members and the Community to inspire trust and commitment.

DOCUMENT INTENT

It is the intent of this document to provide a basic guidance, however when based on knowledge and experience, deviation from these procedures is permissible if it is deemed that the health, safety, or welfare of individuals is at risk or if the incident will be more efficiently managed.
