

Hello to all Volunteer Fire Police Association members of the state of New York members. We the 3 Presidents would like to take this moment to thank all that helped put on the Spring Quarterly VFPASNY Meeting and Training zoom meeting.

Over 300 members and officers attended this zoom event April 9th & 10th meeting and training. In attendance were all elected officers and region directors from 1, 2, 7, 8, & 9

This Spring and Fall Quarterly and state Convention E-Board meetings are where we discuss the needs, wants and new laws that affect you the State Fire Police of New York. New York State is divided into 9 Regions so each and everyone of you are represented in Albany with support of new and pending laws that affect you the Fire Police. That's why it is very important that your Region Director and you communicate and he or she attend these meetings. Each region also has delegates that help the director in his or her absence and they will represent you. We have openings for Region Directors and Delegates. If you are interested in helping feel free to contact your Director or one of the 3 presidents or elected officers listed on your web site www.vfpasny and clicking on officers and then on your region and that will give you a link to your region director. This is the [State Map link](#) so you can find your region.

Note to all Directors and Delegates you need to communicate with your members by emails, letters, or attending county association meetings.

We are at our best when we all work and communicate with each other.

We have some members that have not as yet paid their 2019, 2020 & 2021 dues. We are aware that 2020 was very hard for you but we still tried to keep you updated and represented. It is time to get back in the game please send your dues and any update information to Jon Wicks @ 13 Ninth ST. Carle Place, NY 11514 ([Membership Application link](#) for your convenience)

Thank you.
