

Thanks Guys for being
the very best. You all made
us so proud that we belong
to him and always will.

You'll always have a
place in our hearts for all
you have done for him and
us.

Thanks for the flowers.
Carmen was always so
happy when his friends and
family sent him flowers.
God Bless everyone of you.

Your thoughtfulness means
a lot to us,
More than we can say,
And our warm appreciation comes
With this thank-you note today.

The family of

Carmen Carulli
