

South Williamsport Fire Department
573 Hastings Street
South Williamsport, PA 17702-7690
Phone: (570) 326-4167
www.southfire.org

The South Williamsport Fire Department is currently accepting applications for college students who are interested in continuing their fire service career while attending college. The station is located less than 2 miles from both Pennsylvania College of Technology and Lycoming College. The live-in program is designed for college students who have previous emergency services experience and training and are in the area to attend college. Live-ins have the ability to live at the station while attending college with the expectation of assisting in emergency responses, training, fundraising and other station duties. The station is equipped with:

- Bunk room
- Laundry Facility
- Shower Facility
- Kitchen
- Lounge with pool table, ping pong table, and TV
- Wireless Internet
- In station workout equipment
- Quiet Room

Interested persons should contact chief5@southfire.org for more information.
