 - A. Chris Bieser was introduced as the Project Manager. Rod Reid presented 3 configurations of possible updates to our present buildings and utilizing the recently purchased properties. Discussion of each plan included questions and suggestions from Trustees and Cornbelt members. Plan #2 and #3 had strong points and weak points. It was determined that additional apparatus bays are a #1 concern. The Trustees asked Rod to combine the strong points of #2 and #3 as well as address the current roof problem. Rod will contact us when he has new configurations prepared.
