

# Explorers Request for Application Of Membership

## Requirements for Membership

Each member shall be of any sex, a citizen of the United States of America, have completed eighth grade and be between the ages of 14-21.

They must be a resident in the Hilton Parma Fire District or live closer to the Hilton Fire Department than any other fire or EMS facility, and be currently enrolled in school or another educational program. The Post will not exceed 25 members, with 2 places always open to active members children of the Hilton Fire Department.

To apply for membership, a person must first meet all requirements as specified above. When these specifications are met, the applicant must obtain a request for application form, which should be returned completed to the fire station for the advisors.

If there is an opening in the post, an interview will be set with the applicant and a parent or guardian. If a waiting list is in effect, a number (determined by the date application was received) will be placed on the application and as openings in the post become available, the applicant will be called to see if interested and an interview will be set up for membership. The applicant is then introduced to the post at a regularly scheduled business meeting. At the business meeting, the applicant will become a probationary member of the post. Probation will be at least 6 months at which time the post will vote on the probationary member by secret ballot. The probationary member will complete all required training to be voted in.

Applicants may not participate in any post functions until accepted for membership by the members of the post, and confirmed by a post advisor. Only members shall sit in at post functions. Guest must be invited by a majority of post members. One active member must be in attendance of all post meetings.

Any applicant refused membership may reapply for membership six months after date of rejection.

Each active member shall attend at least 6 monthly meetings and 20 drills per year unless excused by a legitimate excuse. He / She is expected to participate in all fund raising activities, marching units, and to serve on committees. He/she is required to complete and pass the community CPR course as soon as it is convenient to active members.
