

# Monroe County Fire Bureau

## Course Announcement

### Principals of Building Construction-Combustible

<u>Date:</u>	February 28, March 5, March 7
<u>Time:</u>	18:30 p.m. – 22:30 p.m.
<u>Location:</u>	Public Safety Training Facility 1190 Scottsville Road Feb 28 <sup>th</sup> -Room 101 in main building March 5 <sup>th</sup> - Room 107 March 7 <sup>th</sup> – Room 109
<u>Prerequisites:</u>	None
<u>Instructor:</u>	Jason Klein
<u>Course</u>	This course introduces basic construction principles and the special characteristics of wood and ordinary construction as they concern the fire service. Primary emphasis is on improving the fire officer's ability to ensure firefighter safety by recognizing common causes and indicators of failure and other hazards related to building construction. Course material enables the fire officer to better predict the overall reaction of a building to fire conditions

**Student enrollment is limited to 30.**

Pre-registration is **required** and no one will be admitted without pre-registration. Pre-registration can be accomplished through your training officer.

Questions regarding this class should be directed to your  
**Training Officer**
