2021 FUND DRIVE

"We Never Shutdown"

2020 was an extraordinary year. Your volunteers continued to answer an unprecedented number of emergencies in 2020 and 2021 is looking to be on the same track. As a completely volunteer organization who has been responding to emergencies for almost 8 decades, our trained responders continue to be there for the community. Beyond answering emergency calls, our volunteers devote countless hours each year attending training, maintaining equipment and the station, conducting fire prevention and safety education, and continually fundraising to provide the emergency services our community expects.

New volunteers are always welcome! The volunteer fire service relies on neighbors helping neighbors. Firefighters, medical responders, fire police, and support members are needed. Please consider stepping forward and volunteering with us. Email recruitment@neffsfire.com or call (610)767-4784.

Your annual donation is needed. Donations provide for us to be equipped and ready to respond. Local tax dollars only cover 25% of our day to day costs while fundraisers are needed to cover the rest. We rely on your gracious donations to continue the tax-saving services we provide.

Additional contributions are appreciated. This year we embark on a much-needed renovation to the current station. The project includes the addition of two new vehicle bays. The current building's footprint has not changed for over 50 years. Consequently, space is needed to safely house our current fleet of vehicles that today are tightly squeezed into the present truck quarters. We are seeking additional support over and above our annual fundraising request to help close the gap with funding we have already secured for this 2021 capital project. Please give this additional donation request your thoughtful consideration. (please see below)*

Thank you for your ongoing support!

Sincerely,

The Members of Neffs Volunteer Fire Company

Proudly Serving Neffs and our surrounding communities
