

REFLECTIVE ADDRESS SIGNS

These reflective address signs are 'popping' up all over North Whitehall Township. They are green metal signs with white reflective numbers as shown below. These signs are highly visible to Fire and Ambulance Companies as well as the Pennsylvania State Police when they are trying to locate your home in an emergency, especially at night. They can be installed horizontally or vertically as the picture indicates. They are very easily obtainable by one of the following methods,

1.) Call Northern Valley Ambulance Company (NOVA) @ 610-262-1075 during normal business hours, Monday thru Friday 8:00 AM to 4:00 PM.

2.) Mail the information shown on the order form below to : NOVA 2375 Levans Road Coplay, PA18037-2202

3.) Send an e-mail to Steelrsnme@gmail.com with the information shown on the form.

These signs are very affordable at a cost of only \$10.00. They are compliant with the North Whitehall Township ordinance that sets the standard for displaying your street address. They should be installed directly in front of your home or at the end of your driveway. The Fire Company representative can give you pointers when you pick up your sign.

Normally these signs can be ready for pick up a few days after receiving your order. A Fire Company representative will contact you when your sign is completed and provide you with pick-up location.
